### 2024 LIBERAL HUMANITARIAN CONTRIBUTORS

Profile: The individuals on this special file are dedicated to fighting racism, intolerance and bigotry in secondary schools, universities, places of work and American politics.

They have donated to causes promoting social justice, minority preference quotas, racial justice, strong climate change policy, open border immigration, defeating far-right candidates and policies, and promoting diversity, equity, and inclusion.

In addition to generous financial support, these special individuals have given in-kind gifts as well as contributing to grassroots volunteer efforts. This Liberal Humanitarian file has also been used successfully for magazine, literary offers and museums.

This file is updating into 2025.

Demographics:

- o Average Age: 49
- o Male 61%, Female 33%
- o Median Income: \$ 74K
- o Married: 65%
